

Warranty

In an effort to always improve our service, we provide spares4less warranty for all items.

1. scope of the warranty

The warranty covers only defects which are due to material or manufacturing defects and which are already present at the time of passing of risk. Liebl industry partners will exchange the defective device for an equivalent replacement device or refund the purchase price, at its own discretion.

2. time limit

The warranty shall be valid within 30 days from receipt of the goods. The defectiveness must be reported within the same period.

3. exclusion

Excluded from the warranty are:

- Defects that occurred after the passing of risk, e.g.:
- Damage due to the use of force and improper use, including non-compliance with the instructions for use.
- Damage caused by external influences or foreign bodies
- Normal wear and tear

Further claims do not result from this warranty.
